## **2. RACC-organisation**

At the moment I am working to get everyone in the organisation up to speed of RACC-tasks and what work that needs to be done within the organisation.

We are also making the schedule for the different competitions ahead that will include education for the new ones by more experienced jury members.

Me together with competition office will make a plan for our meetings the upcoming two years during march.

## **3. Rule Group**

The time line follows the decided system and the Rule Group intend to invite all countries to a rule seminar during WFC in Czech Republic December 2013 – the schedule looks as follows:

March/April 2013 – RG to finalize the rule book

May 2013 - IFF CB to make the final decision of the new rule book

September 2013 (at the latest if approved in May 2013) - New IFF Rules of the Game shall be sent to all member Associations

July 1, 2014 - The new edition of the IFF Rules of the Game becomes valid
