**2015 IOC Recognised IF Development Programme
Annual Subsidy to the International Floorball Federation (IFF)**

Dear President,

Thank you for submitting the 2015 IOC Recognised IF Development Programme documents via the IOC Extranet.

We have noted that at least one-third of the funding provided through this programme will be used for the IFF "Say NO! to doping" campaign and the athlete and entourage outreach programme, as well as the assessment of anti-doping education gaps. The remaining funds will be put towards development seminars and workshops for coaches, referees and member federations, and the international development of the sport.

Thank you for sending the cost breakdown of each of the projects, as well as the other supporting documents on the IFF. The 2015 annual development subsidy of USD 25,000 will be distributed in due course.

We appreciate the IFF's continued anti-doping and sports development efforts and our close partnership with you.

Very best regards,
