**2018 IOC Recognized IF Development Programme
Annual Subsidy to International Floorball Federation (IFF)**

Dear President,

Thank you for providing the 2018 application documents to the IOC-Recognized IF Development Programme.

We are pleased to see that the funding granted through this programme will be put towards increasing anti-doping education activities, which ties into an Olympic Agenda 2020 focus of protecting clean athletes.

We also note that the programme will focus on supporting the development of Floorball through activities on the African continent as well as improving the refereeing system.

Based on the information provided, we are pleased to confirm the 2018 annual development subsidy of USD 32,000.

We would like to take this opportunity to congratulate the IFF on its continued sports development efforts and wish you every success with the implementation of these important projects.

Very best regards,

Jenny Mann
Head of Sport Partnerships & Coordination
