Nominations to the IFF Athletes commission

Dear Floorball friends,

The first IFF Athletes Commission was elected by the IFF Central Board in 2007, according to the guidelines given by the IOC. Now it has come time to elect a new Athletes Commission and restructure the tasks of the commission.

The IFF Athletes Commission consists of 4 female and 4 male athletes, out of which the players of the World Floorball Championships are entitled to elect three to four representatives and the IFF CB can based on regional aspects elect one member to the Athletes Commission.

In order to re-establish the commission we now invite the IFF Member Associations to nominate one female and one male candidate for the election of the IFF Athletes Commission. The Athletes will elect the male representatives during the World Floorball Championships in Helsinki by a election organised where each player has the possibility to vote for two representatives of the nominated persons.

The female members will be elected by the CB for one year and an election will be made during the Women's World Floorball Championships in Switzerland in December 2011. The period for the mandate is always for two years.

The objective of the athletes' commission is to comment and take part in the preparation of the Game Rule changes, looking over the Competition Regulations and participate in the development of IFF Competitions.

We now kindly ask each of you to nominate one female and one male athlete to the IFF Athletes Commission ASAP and not later than 15.11.2010.

The nominations should preferably consist of a short presentation including the athletes Floorball CV.

Looking forward to your nominations, we remain with

Kindest regards

International Floorball Federation
