**Subject: Compliance with the World Anti-Doping Code**

Dear Mr. Eriksson,

We acknowledge receipt of the information recently provided by Ms. Bruun concerning the development of your in-competition and out-of-competition testing programs.

In light of this information, we are pleased to inform you that we consider your anti-doping program to be in line with the World Anti-Doping Code. We congratulate you for the results achieved.

We look forward to meeting Ms. Bruun in Lausanne during the upcoming WADA Symposium for Anti-Doping Organizations.

Thank you for your commitment to the fight against doping in sport.

Sincerely,

Rune Andersen
