Explanations
Order of countries is based on the total amount of players
Green = more than 30 % of players are female
Yellow = 20-30 % of players are female
Red = 0-19 % of players are female
League Women = Year when Women's league started
League Girl Juniors = Age classes of leagues for girls
X = League organised for women/girls, no details available
WFC Participations = Between years 1997-2011 (max=8)
U19 WFC Participations= Between years 2004-2012 (max=5)
Red nr WFC participation = Did not take part to previous WFC
Side note Men/MU19 = Has participated to Men's/MU19 WFC
